

To Whom It May Concern,

My name is Joe Davis and I am the Chaplain for the San Diego County Medical Examiner's Office. I'm writing this letter to recommend to you the "OFF THE STREET" program presented by Dennis Martinez. This is one of the most powerful programs I have encountered in my 10 year career in helping families (specifically youth). I work closely with Dennis Martinez and his team and do not hesitate to recommend to you Dennis and his staff.

Their presentation targets gangs, drugs, alcohol and choices that could lead to death or prison eventually. This, sadly, is what I deal with daily at the Medical Examiner and am proud to work with Dennis and his staff as they make such a huge difference in the lives of the youth they have the opportunity to serve. They are a vital asset to our community.

As a Medical Examiner Chaplain I daily see real situations dealing with the very things OTS addresses. I'm proud to associate with their team to help stop the madness our youth is faced with. Please do not hesitate to call me with any questions.

Sincerely,

Joe Davis
